Happy Fourth of July!!

Patrick Kennedy

APMC is pleased to announced the Board of Directors has recently signed on the services of Patrick Kennedy, and Kennedy Communications Group, for business development efforts, and public and governmental relations.

Patrick has represented the National Electrical Contractors Association (NECA) and IBEW Local 340 since 2004. He also represents UA Local 447, bringing a unique perspective of both labor and management within the mechanical trades. His focus will be in identifying and creating opportunities for our member companies, with early targets including upcoming school construction, water projects, and the Downtown Arena and associated development.

Patrick is a licensed attorney and currently serves as Vice President of the Sacramento City Unified School District. He has over twenty years of experience in governmental and public relations, specifically working in the development and construction industry, and previously served eleven years on the Sacramento City Planning Commission.

Columbia Specialty

Columbia Specialty is NOW HIRING! Columbia Specialty is opening a new branch in San Jose in July and is looking to fill various positions in both the Sacramento and San Jose offices. If you or someone you know are interested in joining a growing company, please contact Eddie Long at elong@columbiaspecialty.com.

Columbia Specialty Company hosted a game at Hole 14 at the APMC Golf Tournament. Congratulations to the 4 winners:
